Dear Colleagues,

Greetings and welcome to a new school year. The time has come once again to begin the West Virginia All-State Chorus process. If you are a new teacher we encourage you to become part of Vocal Music Association and join us in the excitement of the West Virginia Music Educators conference and apply to audition students for the All-State Chorus. You will be able to find all of the information on our website located at [www.wvma.com](http://www.wvma.com) Please be sure to check out all of the drop down menu items. There is also hotel information on our website. It is important to reserve rooms ASAP. Also, if you are a new teacher and would like to know who your regional chairperson is, go to the choral directory and click on schools by region.

For all new and returning teachers, please remember:

1. The allotment (school) application deadline is September 30, 2022.  
After the deadline I will post all allotments on the website.
2. The student application deadline is December 12, 2022.
3. **No personal checks.** Your check must be from a booster organization or your school.
4. Make all checks payable to: West Virginia All-State Chorus and mail it to the address **on the application.**
5. **No late applications will be accepted.**
6. Audition dates are the week of February 6 – 10, 2023.
7. The conference will run from March 2 - 4 in Charleston, WV.
8. Email me if you have a student who is interested in auditioning as an accompanist.
9. Be sure to inform your treasurer/book keeper, etc. of the **address for forms and payments** – every 2 years this changes and we have to be sure they make the corrections!

Repertoire, conductor bio and music notes, forms and audition schedule will all be posted on [www.wvma.com](http://www.wvma.com) under the All State Chorus tab.

Keep singing and inspiring singers!
